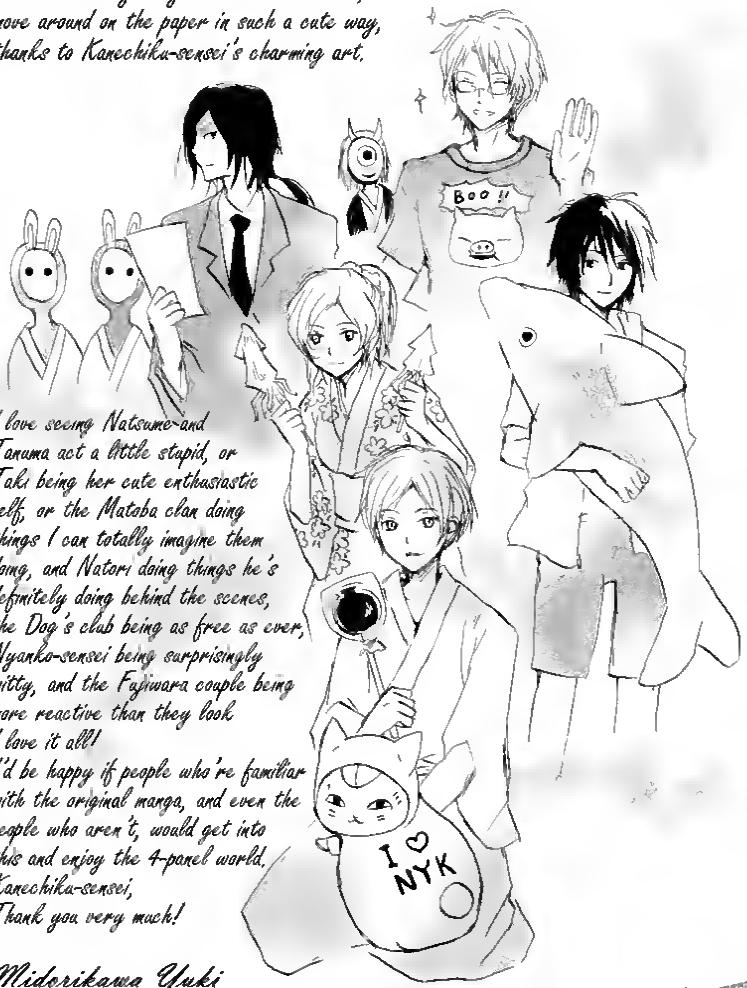
NINJA WARRIORS
NINJA WARRIORS

I'm so happy to have Kanechika-sensei draw these fun little comics based on my manga, "Natsume Yuujinchou"!
It makes me really happy to see characters that are usually very serious or unlikable, move around on the paper in such a cute way, thanks to Kanechika-sensei's charming art.



I love seeing Natsume and Tanuma act a little stupid, or Taki being her cute enthusiastic self, or the Matoba clan doing things I can totally imagine them doing, and Natori doing things he's definitely doing behind the scenes, the Dog's club being as free as ever, Nyanko-sensei being surprisingly witty, and the Fujiwara couple being more reactive than they look.
I love it all!
I'd be happy if people who're familiar with the original manga, and even the people who aren't, would get into this and enjoy the 4-panel world.
Kanechika-sensei,
Thank you very much!
